CIMPA School and Workshop on Time Series

CALL FOR PAPERS

July 17-27, 2023 – ENSA, Agadir, Morocco

The Centre International de Mathématiques Pures et Appliquées (CIMPA) is financially supporting organization of a course on Time Series at the Ecole Nationale des Sciences Appliquées in Agadir, Morocco. The course is delivered by Dr. Naushad Ali Mamode Khan, Associate Professor of Statistics at the Department of Economics and Statistics, Faculty of Social Sciences and Humanities, University of Mauritius. It is chaired by the Head of the Department of Computer Science at ENSA-Agadir, Prof. Dr. Hassane Bouzahir.

The research Lab LISTI at ENSA-Agadir is supported by University of Mauritius to organize in parallel to the CIMPA course a workshop on the same subject. This workshop is partially financed by IMU, CNRST-Morocco and Ibn Zohr University.

Many researchers, especially in Mathematics, Statistics, Economics, Finance, Medicine and Computer Science are glad for the organization of such important event.

This workshop offers an opportunity for masters and engineering students, academics and researchers to discuss their results on the subject and its applications from emerging new state-of-the-art, analytical tools and techniques around time series.

All themes related to time series are welcome for inclusion in the workshop program. However, only selected communications will be accepted for presentation and eventual publication in Springer.

Kindly submit your abstract of 1 to 3 pages to hbouzahir@hotmail.com & n.mamodekhan@uom.ac.mu before June 15th, 2023. Abstract acceptance will be notified by the end of June 2023.

After acceptance of your eventual abstract, your will receive an email from the coordinator (h.bouzahir@uiz.ac.ma) for instructions on how to deliver and get your paper published.
